

The Connecticut Police Chiefs Law Enforcement Memorial

Donald Kleber
Special Agent
Federal Bureau of Investigation
End of Watch 01/15/2024

On September 11, 2001, Flights 11 and 175 crashed into the north and south towers of the World Trade Center in New York. Special Agent Donald Kleber was assigned to perform duties at the World Trade Center as part of the evidence and recovery process. The Center for Disease Control and Prevention established Special Agent Kleber extensive exposure to the toxins at the site precipitated and accelerated too choroidal melanoma in his left eye causing his death. SA Kleber continued to work for the FBI until 2006, when he retired.
